Subject: Restraint and Seclusion Tab

Good morning! The restraint and seclusion custom tab that was to be published to districts has been delayed. Infinite Campus is working to resolve an issue with the publishing from state to district. KDE and IC are working diligently to get the tab to the districts as soon as possible. Notification will be sent when the issue is resolved and the tab is published and made available to the district databases.

We apologize for the inconvenience.

Windy L. Newton

Division of Student Success

Office of Next Generation Schools and Districts
